- Extended health care
- Life insurance
- Complimentary On-site parking
- Profit sharing
- RRSP match
- Vision care

## COVID-19

All employees are required to submit proof of the two-dose vaccine series against COVID-19 with a Health Canada approved vaccine as a condition of employment. All new hires must have received the full series at least 14 days prior to the hired employee's first date of employment.

We welcome and encourage applicants from diverse backgrounds. We are committed to providing accessible employment practices that are compliant with the Accessibility for Ontarians with Disabilities Act. If you are selected to move forward through the hiring process, please advise us if you require an accommodation.

Please forward your cover letter and resume in one document to [hr@alphalabs.ca](mailto:hr@alphalabs.ca).

While we thank all applicants, only those selected for an interview will be contacted.
